ELPE Health Pty, Ltd is a new and vibrant Allied Health Business established in Ulverstone on the Central Coast of the North West region of Tasmania in July 2016.

ELPE Health currently employs experienced staff including a Clinical and Registered Psychologists, Accredited Mental Health Social Workers and an Occupational Therapist, ELPE Health also hosts Diabetes Tasmania services on site. The goal is to grow the business according to service needs and gaps in the region, expanding to include outreach services in Wynyard, Somerset, Smithton, Sheffield, Zeehan and Queenstown.

MENTAL HEALTH SERVICE - Wynyard

Michael O'Donnell, Psychologist offers sessions for a range of mental health services for adults and children including life issues including trauma, depression, anxiety, work injury or stress, relationship issues and separation, grief and loss, parenting issues and chronic illness.

Referrals

A GP referral with a mental health treatment plan (MHTP) will allow clients to access a Medicare rebate, the initial referral will entitle them to, up to 6 sessions, the clinician will correspond with the referring GP and if the patient would benefit from further sessions, a review referral would allow patients to access additional sessions (a maximum of 10 sessions per calendar year are available through Medicare).

Michael is a Private Psychologist and fees apply, these will be discussed with the clients at the time of the appointment being made however Bulk Billing options may be available for clients experiencing financial hardship.

Clients can self-refer and may be able to obtain a rebate from their private health fund.

Cancellation Policy (for all clients): Failure to attend or cancel an appointment without sufficient notice (**at least 2 hours**) will result in an out of pocket fee of up to **\$65.00**

Please call 6425 6901 to make an appointment, all referrals are to be sent to Ulverstone fax 6425 7667 ELPE Health will contact clients to arrange appointments once referral has arrived.

Mission Statement

ELPE Health is dedicated to providing services that make a difference in people's lives through enablement and empowerment.

Vision Statement

Our aim is to inspire, teach, lead and grow our clients and employees to reach their full potential and beyond.

ELPE Health encourages a wellness approach that focuses on and improves a person's capability, motivation and commitment to maintain independence and achieve their personal goals.
